To Whom It May Concern,

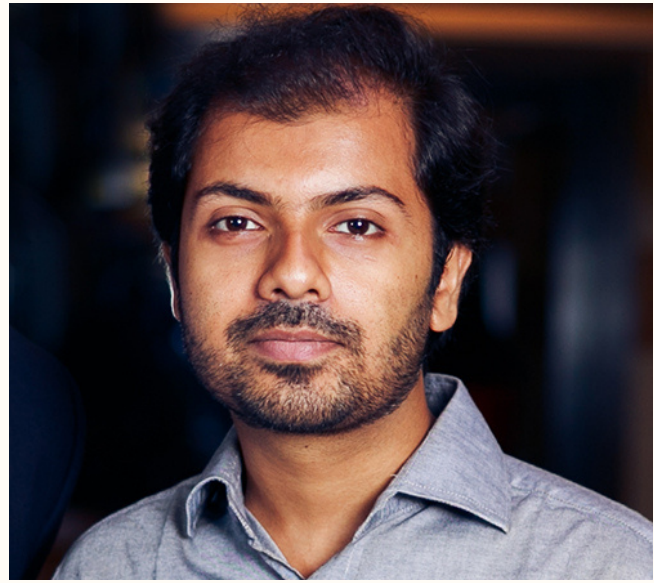

My long-term experience in the media industry has prepared me and trained me to be the leader and multitasker that employers need. I have encountered every type of challenge that there are. I am aware that acquiring, and inspiring loyal repeat business, marketing, and representation can have a huge impact on the company's growth and success. I am a confident, dedicated, driven professional, and positioning myself to represent your company will be my number one priority. I would be an asset to your company.

It would be a great pleasure to interview with you, and I look forward to hearing from you soon.

Sincerely,  
Navid Mehedi Al Arefin
